If you have had previous contact with a member of the University of Hull, please give their name (if known) to help us trace any prior correspondence.

Note 6 Previous study in the UK
This information is essential if you will need a Tier 4 Visa to study. There are maximum lengths of time that someone can be in the UK as a Tier 4 student. Include any academic or English language course you have taken. The University has to tell the Home Office whether or not each Tier 4 student has studied in the UK and the level studied, so you must give a full record of previous study.

Note 7 Permanent Home Address
International students must give an address in their home country even if applying via an agent.

For teachers in the UK please include your school contact details in the next section. Please include your daytime work number if you are happy for the University to contact you there in case of any query.

Note 8 Address for Correspondence/Agent Address
This is the address we will use to send any offer letter and it is important you tell us immediately if you change address.

Note 9 Residential Status
Guidance on fee status regulations for students entering Higher Education in the UK is available at www.ukcisa.org.uk. This information together with other details such as nationality will be used to determine your status for tuition fee purposes and may determine whether or not we provide documentation suitable for a visa application. If you are not a UK/EU/EEA national enclose a copy of the passport (if you have one) that you will use to come to the UK that shows your personal details and any visa/settlement endorsements.
Please circle one category that best describes you:

1. **UK Citizen or EU National**
   You are a UK or EU national, or are the child or grandchild, or the spouse of civil partner of a UK or EU national, and have lived in the European Economic Area (EEA), Switzerland or Overseas Territories (OT) for the past three years, but not just for full-time education. If you have been living in the EEA, Switzerland or OT for three years partly for full time education, you have also lived in the EEA, Switzerland or OT prior to that three year period.

2. **EEA or Swiss National**
   Enclose copies of official documents to show your status in the UK, where relevant include your family member’s documents and proof of your relationship to them.
   **Either:** You are an EEA or Swiss National working in the UK, or you are the child, spouse or civil partner of such a person or you are the parent or grandparent of an EEA national working in the UK. You have lived in the EEA or Switzerland or OT for the past three years, but not just for full-time education. If you have been living in the EEA, Switzerland or OT for three years partly for full time education, you also lived in the EEA, Switzerland or OT prior to that three year period.
   **Or:** You are the child of a Swiss national and have lived in the EEA or Switzerland or OT for the past three years, but not just for full time education. If you have been living in the EEA, Switzerland or OT for three years partly for full time education, you also lived in the EEA, Switzerland or OT prior to that three year period.

3. **Child of a Turkish worker**
   Enclose copies of official documents to show your status in the UK, where relevant include your family member’s documents and proof of your relationship to them.
   You are the child of a Turkish national who has lawfully worked in the UK, and you have lived in the EEA, Switzerland or Turkey for the past three years.

4. **Refugee**
   Enclose copies of official documents to show your status in the UK, where relevant include your family member’s documents and proof of your relationship to them.

   You have Indefinite Leave to Enter or Remain in the UK or have the Right of Abode in the UK and have lived in the UK, the Channel Islands or the Isle of Man (or more than one of these) for three years, but not just for full-time education. Guidance on fee status assessment may be found at www.ukcisa.org.uk

Please do not return this sheet to the University
Section B: Education and qualifications

Note 10 Details of Education
List all degrees and diplomas and any other qualifications obtained since leaving school, including professional qualifications. Give the full names of all institutions (and the town in which each is located) that you have attended. For qualifications taken outside of the UK give the exact title of the award - do not try to convert it to the UK system. HND is not normally sufficient alone for postgraduate admission and in most cases a second class honour degree is expected (or equivalent, typically CGPA 2.5 out of 4).

You must include details of all courses started, whether or not the course was completed/passed. You must include any courses in which you were not successful so that the University has a full record of your academic history. If awarded a lower level award having not been successful (PG Cert gained rather than Masters) this must be declared.

If you are a final-year student on a degree programme, give your expected final, overall result.

For postgraduate degrees taken, indicate the method of assessment; ie, by thesis, by written examination, or by dissertation and written examination.

Proof of completed qualifications must be submitted. You should arrange for a transcript of your academic record or other official statement of courses taken, showing grades achieved, together with confirmation of the qualification awarded and the overall grade/mark obtained, to be sent to the Admissions Service. Also include an explanation of the grading system used.

Guidance on acceptable proof of qualifications is available at www.hull.ac.uk/student/admissions/policies.aspx

If you require certificates/transcripts to be returned please state clearly in a covering letter. A full academic transcript showing the overall award received and overall mark will normally be accepted in lieu of the certificate.

If the documents are not in the same name as you are using to apply for admission you must include official proof of the name change. (eg marriage certificate).

If your documents are not in English please provide a translation by an official translator and provide their full name and address.

Note 11 Evidence of Proficiency in English
See www.hull.ac.uk/englishlanguagerequirements for the list of English Language evidence accepted by the University.

Applicants who have not achieved the level required for admission may be given a conditional acceptance, subject to achieving a prescribed standard before registration with the University. The University offers preparatory English language courses to help with this.

Section C: Research experience and employment

Note 12 References
Two reference forms are attached. You should complete those and send them to two people who have agreed to write a reference for you. You should ensure that your application form reaches the University before the forms are returned by the referees. Sealed references may be returned with this application form if you wish. References may alternatively be sent on business headed paper. All references must be less than 3 months old, written and signed by the referee and carry an official business stamp. MBA applicants are asked to give one academic and one professional reference. Character/personal references are not accepted. Emailed references are not accepted unless sent direct to us by the referee from an official business email address. One referee should be a tutor from your most recent studies.

In the box on the application form enter the name and full postal address of the two referees. The University may contact your referees to clarify details of your application and in order to confirm authenticity of references. If further information is required the University may ask you to arrange for further references to be provided.

Section D: Further details

Note 13 Source of Finance
Please do not apply unless you are confident in getting the money to cover tuition fees, other course expenses and living costs. Please indicate who you expect to pay your tuition fees. All offers are subject to the applicant having funding for their studies.

'Selffinancing' means you will be financed from your own or other private resources and will pay your tuition fees when you register.

'Sponsor' means that you know that a government, public body or industrial company will be responsible for the direct payment of your tuition fees. Please give the name and address of that body. At least 6 weeks before registration you will be required to provide written confirmation from your sponsor that they will pay your tuition fees for that session. You will not be permitted to register without advance written confirmation of your sponsorship or payment of fees.

If you have any queries about funding or payment of fees, please contact the Student Financial Services team, telephone +44 1482 465674.
Note 14 Disability Support

Note 15 The Criminal Convictions Declaration and Risk Assessment Process
The University has a risk assessment process designed to reduce the risk of harm or injury to members of the University population caused by the criminal behaviour of any student. We therefore need to know about any relevant criminal convictions that an applicant has. Tick ‘yes’ only if you have a relevant criminal conviction as explained below.

Relevant criminal convictions are only those convictions for offences against the person, whether of a violent or sexual nature, and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent or are ‘protected’ as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended by SI 2013 1198) should not be disclosed (however see next paragraph).

If you are serving a prison sentence at present, give the prison address as your correspondence address and obtain a reference from a senior prison officer to support your application. Applicants who declare a criminal conviction will not automatically be excluded from the application process but the University will activate the risk assessment process (details of which are available from the Admissions Service) and we will ask for further details before reaching a decision on your application.

If you are convicted of a relevant offence after you have applied, you must inform the Admissions Service immediately in order for the risk assessment process to be followed.

Note 16 Ethnic origin
The University is required by HESA (Higher Education Statistical Agency) to collect this information for statistical purposes. Information on ethnicity will not be used in reaching a decision on the outcome of your application, nor will HESA publish any personal information about you.
