‘Self-financing’ means you will be financed from your own or other private resources and will pay your tuition fees when you register. If you have any queries about funding or payment of fees, please contact the Tuition Fees Section of the Student Financial Services Office, telephone ++44 1482 465674.

Note 12 Disability
So that we may assist you and advise on appropriate opportunities we invite you to declare here whether you have a disability. If you do not complete this section the University will have to assume that you have no disability.

This information will be passed to the University’s Disabilities Officer and the academic department concerned so that they will be aware of your needs if you are offered a place. If you have any specific concerns about the support you might need please tell us now. Where appropriate, details will also be passed to our Occupational Health Nurse. You may enclose a separate confidential letter to the Disabilities Officer if you prefer. The Equal Opportunities Code of Practice for Admissions is available on the web site (www.hull.ac.uk).

Note 13 The Criminal Convictions Declaration and Risk Assessment Process
The University has a risk assessment process designed to reduce the risk of harm or injury to members of the University population caused by the criminal behaviour of any student. We therefore need to know about any relevant criminal convictions that an applicant has. Tick ‘yes’ only if you have a relevant criminal conviction as explained below.

For many courses, relevant criminal convictions are only those convictions for offences against the person, whether of a violent or sexual nature, and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent (as defined by the Rehabilitation of Offenders Act 1972) are not considered to be relevant and you should not reveal them (however see next paragraph). However in applying for a course involving work with children and/or vulnerable adults, you must tell us about any criminal conviction, including spent sentences and cautions (including verbal cautions) and bindover orders. For those courses, you may later be required to have an enhanced Criminal Records Bureau disclosure (www.crb.gov.uk).

If you are serving a prison sentence at present, give the prison address as your correspondence address and obtain a reference from a senior prison officer to support your application.

Please do not return this sheet to the University
Applicants who declare a criminal conviction will not automatically be excluded from the application process but the University will wish to activate the risk assessment process (details of which are available from The Admissions Service) and we will ask for further details before reaching a decision on your application.

If you are convicted of a relevant offence after you have applied, you must inform the Head of Admissions Service immediately in order for the risk assessment process to be followed.

Note 14 Ethnic origin
The University is required by HESA (Higher Education Statistical Agency) to collect this information for statistical purposes. Information on ethnicity will not be used in reaching a decision on the outcome of your application, nor will HESA publish any personal information about you.
